

Apprenticeship Assistance Program

To show its support for Jefferson alumni to pursue a career locally in the one of the building trades, JAG has committed to provide Cedar Rapids Jefferson High School graduates accepted in an apprenticeship program \$100 to offset some of the costs of their training. There may be additional funding in the future, as well.

To apply for this assistance, please print-off this form, fill it out, and email to JAG.

Name _____

Address _____

City, ST Zip _____

Phone # _____

Year Graduated Jefferson _____
